Hairdressing collection

Recognising the need for simplification and practicality, we offer essential solutions with timeless designs and maximum reliability at competitive prices. We are guided by three principles: functionality, aesthetics and sustainability, which go hand in hand. Quality is in every detail. Good ideas do not have to be expensive.

Reconociendo la necesidad de simplificación y practicidad, ofrecemos soluciones esenciales con diseños atemporales y máxima fiabilidad a precios competitivos. Nos guiamos por tres principios: funcionalidad, estética y sostenibilidad, que van de la mano. La calidad está en cada detalle. Las buenas ideas no tienen por qué ser costosas.

Reconnaissant le besoin de simplification et de praticité, nous proposons des solutions essentielles au design intemporel et à la fiabilité maximale, à des prix compétitifs. Notre approche repose sur trois principes : fonctionnalité, esthétique et durabilité, qui vont de pair. La qualité se trouve dans chaque détail. Les bonnes idées ne doivent pas nécessairement être coûteuses.

Riconoscendo l'esigenza di semplificazione e praticità, offriamo soluzioni essenziali dal design senza tempo e dalla massima affidabilità, a prezzi competitivi. Ci guidano tre principi fondamentali: funzionalità, estetica e sostenibilità, che procedono di pari passo. La qualità si riflette in ogni dettaglio: le buone idee non devono per forza essere costose.

Im Bewusstsein der Notwendigkeit von Vereinfachung und Praxistauglichkeit bieten wir essentielle Lösungen mit zeitlosem Design und maximaler Zuverlässigkeit zu wettbewerbsfähigen Preisen. Unser Ansatz basiert auf drei Grundprinzipien: Funktionalität, Ästhetik und Nachhaltigkeit, die untrennbar miteinander verbunden sind.
Qualität steckt in jedem Detail. Gute Ideen müssen nicht teuer sein.

Backwash units

Head washers, the key piece of hairdressing and beauty salons. The place where the professional's hands come into contact with the client's scalp and both parties must feel comfortable and relaxed to enjoy the experience. The adjustable and ergonomic structure and seat allow the hair washing to be carried out in a pleasant and efficient way, avoiding discomfort during the process.

Los lavacabezas, la pieza clave de las peluquerías y salones de belleza. El sitio donde las manos del profesional entran en contacto con el cuero cabelludo del cliente y ambas partes deben sentirse cómodas y relajadas para disfrutar de la experiencia. La estructura y el asiento, ajustables y ergonómicos, permiten realizar el lavado del cabello de forma placentera y eficiente, evitando las molestias durante el proceso.

Les laveurs de tête, la pièce maîtresse des salons de coiffure et d'esthétique. C'est l'endroit où les mains du professionnel entrent en contact avec le cuir chevelu du client et les deux parties doivent se sentir à l'aise et détendues pour profiter de l'expérience. La structure et le siège réglables et ergonomiques permettent d'effectuer le lavage des cheveux de manière agréable et efficace, en évitant toute gêne pendant le processus.

I lavatesta, il pezzo forte dei parrucchieri e dei saloni di bellezza. È il luogo in cui le mani del professionista entrano in contatto con il cuoio capelluto del cliente ed entrambe le parti devono sentirsi a proprio agio e rilassate per godersi l'esperienza. La struttura e la seduta regolabile ed ergonomica consentono di effettuare il lavaggio dei capelli in modo piacevole ed efficiente, evitando il disagio durante il processo.

Kopfwaschanlagen, das Herzstück von Friseur- und Schönheitssalons. Der Ort, an dem die Hände des Friseurs mit der Kopfhaut des Kunden in Kontakt kommen, und beide Parteien müssen sich wohl und entspannt fühlen, um die Erfahrung zu genießen. Die verstellbare und ergonomische Struktur und der Sitz ermöglichen es, die Haarwäsche auf angenehme und effiziente Weise durchzuführen und Unannehmlichkeiten während des Prozesses zu vermeiden.
